

This is to certify that

# Marc Boghossian

Is officially appointed by the FCRF as a  
**Fancy Color Price Index Data Supplier for 2021**

Data Suppliers are committed to act with objectivity and high ethical standards and provide data that is based on authentic market activity.

The Fancy Color Diamond Index tracks changes in the wholesale buying prices of Yellow, Pink, and Blue Fancy Color diamonds. The data is supplied by dozens of international Fancy Color leaders and gives a glimpse to a pure data input.

Miri Chen, CEO
